

CHEAP POWER

You need it. Either to run your thrasher, hay baler, pump, cream separator or for some one of many other uses for which cheap power is needed. In the Hart-Parr (traction) and the Stover (portable and stationary) engines we have the most satisfactory gasoline engines made. They absolute deliver on a brake test, more power than catalogued and do it at less expense (by using less gasoline) than other engines. Let us know your needs now and talk them over with you and if not in stock we can order and deliver any size of engine required by the time you will need it.
